

UP TO \$1.00 PER SQUARE FOOT

**Rebate On Attic Insulation
For Connecticut Municipal Electric
Utility Customers Only**

Get a rebate of up to \$1.00 per square foot for attic insulation, if your home has electric heat and/or central air conditioning.* This rebate is good for purchases and installations completed in 2014 through 2015. Rebate requests must be postmarked by January 31, 2016. LIMIT: One rebate per municipal electric utility account.

Insulation must be installed by a licensed contractor and inspected by your Home Energy Savings (HES) technician when installation is completed. Not valid for homeowner-installed insulation.

To receive your rebate:

- 1) Fill out this form completely. (Be sure to have the HES technician do a post-inspection and fill out the last section.)
- 2) Enclose a copy of the contractor's invoice.
- 3) Mail to: **CMEEC - CT Municipal Insulation Rebate, 30 Stott Avenue, Norwich, CT 06360**

Please DO NOT include this rebate request with your utility bill payment. All rebate requests must be postmarked no later than January 31, 2016. Incomplete information may delay or disqualify your rebate.

Customer Information

Please fill out completely. All information below is required.

Name	Phone
Installation Address	City State Zip

Rebate Requirements

Application Offer: This Rebate covers products purchased and installed in 2014 through 2015. Details of this Rebate are subject to change or cancellation without prior notice. This application form with required documentation must be postmarked by January 31, 2016. Call your MEU for additional details.

Date of installation must be after home energy savings audit date.

Eligibility: Rebates are available only to residential electric services customers. Materials must be installed in the service territory of the participating municipal electric utility. Mail-in attic insulation rebates must have an existing insulation R value of R-19 or less in order to be eligible for insulation rebate. In addition, the R value of the completed attic space, once installed, must be R-38 or greater in order to be eligible for rebate.

Proof of Purchase: An itemizing invoice must accompany each Rebate application form. **The invoice copy must indicate the type of insulation, amount, areas insulated and ventilation installed, and date of installation.**

Application Form: This application must be filled out completely, truthfully and accurately. Customer must sign, date, and submit the application along with the invoice.

Post Installation Verification: Post inspection must be completed by certified HES technician in order for rebate to be processed.

Payment: Please allow 90 days for payment. Payment process may take longer if information is missing on application. Call your MEU for additional initiative details.

Approval and Verification: Pre-approval from your participating municipal electric utility will be required if the rebate total is greater than \$5,000. Your participating municipal electric utility requires a post-installation inspection.

Tax Liability: Customers of the Home Energy Savings (HES) Insulation Rebate program may be subject to tax liability for the value of the Rebate received through the program pursuant to state and/or federal income tax codes. Please consult with a tax advisor on whether to include the amount of the Rebate on your income tax filing.

Endorsement: Your participating municipal electric utility does not endorse any particular manufacturer, product or system design in promoting this Rebate.

Warranties: YOUR PARTICIPATING MUNICIPAL ELECTRIC UTILITY DOES NOT WARRANT THE PERFORMANCE OF INSTALLED MEASURES, EXPRESSLY OR IMPLICITLY. The participating municipal utility makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding the material or services provided by a contractor or vendor. Consult your contractor for details regarding performance and warranties.

Limitations of Liability: The liability of your participating municipal electric utility is limited to paying the Rebate specified. The participating municipal electric utility is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Rebate.

Assignment: The customer may assign the Rebate payment to a qualified contractor.

Owner's Certification: Owner certifies that he/she purchased and had installed by a licensed contractor the material listed above at the defined location. Owner agrees that all information is true and that he/she conformed to all requirements listed. Owner has verified that the material listed above has been installed correctly.

ISO-NE Capacity Payments: Customer agrees and acknowledges that this installation of energy efficiency measures by Contractor may result in financial incentives or environmental attributes related to Customer's participation in the Program which may benefit CMEEC and/or Utility. Customer hereby agrees to assign to CMEEC on behalf of Utility any and all right, title and interest in Customer's portion, if any, of such financial incentives and/or environmental attributes. By signing this document, and as a condition for receiving a Rebate pursuant to this program, customer hereby assigns to its participating MEU, whichever the case may be, all of its rights, title and interest in and to any and all LICAP, ICAP, or any and all other capacity-related credits or payments for which customer may be eligible from ISO-NE or such value associated with the settlement of such LICAP, ICAP, or capacity payments as determined through the ISO-NE LICAP, ICAP, or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE
